DECLARATION UNDER 37 C.F.R. 1.132

I, Michael J. Simons, do hereby state and declare that:

(1) I am the inventor of the invention described and claimed in U.S.
Serial No. 10/628,192, filed July 28, 2003, published as US Patent Application
Publication 2004/0020388 A1.

(2) I am aware that Claims 1-9 of the present application have been
rejected as anticipated by the disclosure of my cited copending application. Irrespective
of the merits of that rejection, any aspect of the invention claimed in the present
application that is considered to be disclosed but not claimed in the cited copending
application was derived from myself (that is one or more of the Applicants of the present
application) and is thus not the invention "by another" as required by 35 U.S.C. 102(e).

(3) All statements made herein of my own knowledge are true and
that all statements made on information and belief are believed to be true. These
statements are made with the knowledge that willful false statements and the like so made
are punishable by fine or imprisonment, or both, under 18 USC 1001 and may jeopardize
the validity of the present application or any patent issuing therefrom.

Date 22nd Feb 2005
